

# Gangsters, Jesuits, and the Twin Tower Gold Heist

It was mafia connected companies that got the contracts with the Port Authority of New York and New Jersey to clean up the debris after 9/11. Anthony Fontanetta and Mark Jakubek were executives at the Port Authority and found guilty of racketeering and bribery involving millions in stolen cash from federal aid for ground zero clean up. About 19 others plead guilty as well in this racketeering. The port authority has a history with organized crime however on 9/11 the Port Authority's records were destroyed because they were located in Tower 7. Owners of the construction company Peter Scalamandre & Sons were convicted of paying off members of the Lucchese crime family for labor racketeering prior to 9/11. Peter Scalamandre & Sons was later shut down working as sub contractors during the ground zero clean up. The major clean up companies used smaller contractors to carry out much of the work. Many of the smaller contractors like Peter Scalamandre & Sons were connected with the Italian Mafia. La Cosa Nostra has infiltrated business, politics, and police in New York City.

The major companies for the 9/11 clean up were the London AMEC subsidiary AMEC Construction, Bovis Lend Lease, Tully Construction and Turner Construction being funded with over 450 million for clean up. These larger companies used smaller sub contractors and many of these companies were tied with the Five Families and their associates. The subcontractors payments were in the range of 60 million of that 450 million in clean up aid. It is believed that about 63 million went to mafia connected construction and clean up companies. Salvatore Carucci is believed to be a Lucchese associate and is the owner of Seasons Contracting which received over 26 million for his company's clean up work. Allen Monchik who has been convicted of fraud worked as a consultant making calls hours after 9/11 to the port authority, asbestos companies and to mafia associates like former Lucchese boss Louis Daidone and mafia associate Noel Modica. The District Attorney's investigators tracked these calls while investigating corruption involved with these asbestos companies. Allan Monchik seemed to be the primary link for ground zero contracts with the Italian Mafia. The House of Savoy and the House of Windsor both knighted Rudy Giuliani the former Mayor of NYC. The Vallone family with Peter Vallone Sr, Peter Vallone Jr, and Paul Vallone of New York are all Fordham Jesuits and top members of the New York City Council with Peter Vallone Sr who was Majority Leader of the New York City Council until December of 2001.

On September 11, 2001 Donald Rumsfeld who was Jesuit educated from Georgetown ran the Department of Defense as Secretary of Defense, George Tenet who was also Jesuit educated from Georgetown ran the Central Intelligence Agency, and Michael Copps who was a Jesuit professor at Loyola University of New Orleans ran the Federal Communications Commission which regulates all broadcasting inside of the United States. The US armed forces, CIA, and FCC were all under the supervision of Jesuit alumni and professors. Viet Dinh wrote the Patriot Act and is a Professor at Georgetown. David Addington was Jesuit educated from Georgetown and he was an adviser to Cheney prior to 9/11 and then in 2005 was appointed as Dick Cheney's Chief of Staff. Robert Baer was Jesuit educated at Georgetown and worked for the CIA in the Middle East prior to 9/11 and stated that the professionals in the CIA couldn't have carried out of the plot on 9/11. The real theft on 9/11 goes back to Franklin D Roosevelt and his Executive Order 6102 which criminalized the ownership of gold in the United States and demanded all gold to be handed in under the threat of fines and imprisonment. This gold was covertly held underneath the Federal Reserve Bank of New York. On 9/11 William Joseph McDonough was President of the Federal Reserve Bank of New York and was Jesuit educated from Georgetown and he oversaw this theft. After 9/11 the gold was removed from the FRBNY under the disguise of ground zero debris. The gold was then shipped out through the Port Authority and sent to London and Rome.

### **TOWERS FELL AND MOB SCHEMES BEGAN. How organized crime civvied up Ground Zero work**

The News Investigative Team detailed how **hundreds of millions of dollars were spent on projects that seemingly had nothing to do with 9/11** and lower Manhattan, how millions went to fat cats and firms that were barely hurt and how hundreds of small and less powerful business entities received barely enough to pay a month's rent. Today, The News reports on how **organized crime moved in on the Ground Zero debris cleanup.**

**Allen Monchik, a Luchese crime family associate** with two fraud convictions on his résumé, is working the phones. His **first call is to a Port Authority engineer who, investigators will later say, regularly steers jobs at Kennedy Airport to mob-controlled subcontractors in return for bribes.** During the next few hours, as Navy destroyers steam toward New York and fighter jets patrol the sky overhead, Monchik calls the engineer 12 more times. As the afternoon

progresses, **Monchik repeatedly phones a Bronx subcontractor connected to a Gambino family associate.** He then calls a **Jersey City construction company allegedly controlled by a Luchese family soldier.** He completes his marathon day of phone conversations with a call to a major contracting executive who's a reputed Luchese associate. By the morning of the 12th, the **mob is in a feeding frenzy to get in on the massive cleanup job that will inevitably ensue in lower Manhattan.** In fact, organized crime and corrupt subcontractors turned the terrorist attack into a windfall, according to a four-month Daily News investigation of the federal government's **\$21.4 billion 9/11 disaster recovery program.**

Down at Ground Zero, the **Luchese** family, the **Colombos**, the **Gambinos** and even the New Jersey-based **DeCavalcantes** all made out, according to court documents, government records and interviews. **They divvied up Ground Zero** the way the mob carved up Las Vegas in the old days. Unbeknown to Monchik and his business associates, all of the **calls were being tracked by Manhattan District Attorney Robert Morgenthau's office.** The DA had been looking into corruption in the asbestos removal industry and happened to run into the blizzard of phone calls in the hours following the terrorist attacks.

Coyne wrote. "**Monchik followed organized crime protocol of informing the acting boss, Daidone, of Monchik's Ground Zero dealings** in order to receive Daidone's approval or rejection.

The News investigation found that at least **\$63.2 million of the \$458 million FEMA-funded Ground Zero cleanup went to companies accused of mob ties**

**Tommy Cappa, a Colombo crime family associate,** was put on the payroll of an asbestos removal company doing Sept. 11 cleanup while still on probation for his role in a 1991 mob war murder conspiracy. Documents show he was paid \$200 a week on the books, but he proclaimed on tape that he pocketed 20% of every job the company won. At one point, **investigators watched Cappa meet with Monchik at Ground Zero,** then drive off in a white 2002 Jaguar registered to Cappa's wife.

[http://www.911conspiracy.tv/cache/nydailynews-com\\_2005-12-05\\_exposed\\_map\\_of\\_ground\\_zero\\_.html](http://www.911conspiracy.tv/cache/nydailynews-com_2005-12-05_exposed_map_of_ground_zero_.html)

**EXPOSED: MAP OF GROUND ZERO SPOILS. WHERE THE MONEY WENT TO CLEAR TRADE CENTER DEBRIS.**

Of the \$458 million in federal 9/11 aid spent on debris removal, **AMEC** got \$65.8 million, **Bovis** \$277.2 million, **Tully** \$76 million and Turner \$39 million.

**When London-based AMEC Construction** showed up at Ground Zero as one of the Big Four hired to run the cleanup job, the firm's U.S. subsidiary already was ensnared in government corruption probes in Missouri and California. AMEC still got the 9/11 job.

**AMEC's No. 1 guy on the ground was Vice President Leo DiRubbo, a reputed associate of the Luchese crime family.** At Ground Zero, it was DiRubbo's responsibility on behalf of the Luchese crime family "to ensure labor peace between organized crime and contractors," according to investigators' reports obtained by The News.

**AMEC hired Big Apple Wrecking, owned by Harold Greenberg, a reputed mob associate** whose firm was barred from government work because of his convictions in bid-rigging and bribery conspiracies. Weeks into the cleanup, Thacher Associates realized Greenberg was on-site and kicked Big Apple off the job, though **the firm still collected \$203,000.**

It didn't end there. Safeway Environmental, a firm that investigators allege was controlled by Greenberg, was **still at Ground Zero.**

**AMEC also hired Mazzocchi Wrecking.** A few months after 9/11, the N.J. Division of Gaming Enforcement **charged that three members of the DeCavalcante crime family worked for Mazzocchi.**

The city Department of Investigation determined **Mazzocchi "had potentially overbilled the city" for Ground Zero work.**

The DOI forwarded the information to the city Department of Design and Construction but the probe was closed without prosecution. Mazzocchi, which denies mob ties, **earned a total of \$16 million from two of the major contractors.**

**Civetta won a \$1.2 million contract at Ground Zero, and Yonkers won three deals worth \$14.5 million.** Not long afterward, prosecutors **alleged both firms had for years been making regular payments to corrupt officials** of Local 15 of the Operating Engineers - a local that prosecutors say long has been **infiltrated by the Colombo crime family.**

**Both firms deny mob involvement** and have not been charged with wrongdoing.

In the middle of the 9/11 job, owners of the **AMEC-hired subcontractor Peter Scalamandre & Sons**, of Freeport, pleaded **guilty to laundering \$1 million through subcontractors**. Prosecutors charged that **some cash wound up in the hands of the Luchese crime family**.

Scalamandre was kicked off the job and was **paid \$2.8 million**.

**AMEC hired Breeze National**, a Brooklyn demolition **firm owned by Toby Romano, a reputed Luchese family associate convicted in 1988 of bribing inspectors** to overlook health violations on asbestos-removal jobs. **Breeze earned \$3.9 million**.

**Turner Construction hired Seasons Contracting**, owned by Salvatore Carucci, a reputed Luchese associate who was **indicted in 1995 on charges of using a bogus minority-owned business to illegally win government work**. Charges were later dismissed because of a flawed indictment. **Seasons was paid \$26.7 million**.

**Luchese associate Allen Monchik** was a consultant to this firm, which won a **small, \$95,250 city contract to clean up asbestos on the streets and sidewalks around Ground Zero**. A principal of the company has been **indicted in a 9/11 ghost-employee scheme**.

**Gambino associate Noel Modica** negotiated a "loan" for Termon from **Monchik**, according to investigators' documents. Termon was **paid \$2.2 million to clean asbestos** from Battery Park City. Termon has not been charged with wrongdoing.

Donald Rumsfeld ran the Department of Defense on September 11, 2001 and he was Jesuit educated from Georgetown.

George Tenet ran the Central Intelligence Agency on September 11, 2001 and was Jesuit educated from Georgetown.

Commentary: **The CIA's Gift to Conspiracy Theorists**

By **Robert Baer**

I myself have felt the pull of the conspiracy theorists — who believe that 9/11 was an inside job, somehow pulled off by the U.S. government. For the record, I don't believe that the World Trade Center was brought down by our own explosives, or that a rocket, rather than an airliner, hit the Pentagon. **I spent a career in the CIA trying to orchestrate plots**, wasn't all that good at it, and **certainly**

**couldn't carry off 9/11. Nor could the real pros I had the pleasure to work with.**

And, of course, the Rothschilds also played a huge role in faking 9/11.
